Form 990-PF, Part IX-A - Summary of Direct Charitable Activities

Explanation:

During 2021, the Foundation continued its work to bring mountain resort communities together for shared learning around common challenges in building effective mental and behavioral health systems and meeting the needs of community members, especially with the rising need due to the pandemic. A special focus this year was working with community leaders to better understand the specific challenges for BIPOC members of their community and how to best address those needs. The Foundation hosted our annual Convening of over 70 behavioral health professionals from 10 different mountain communities virtually in May, during which we shared deep-dive research on using tele-behavioral health to increase access to services, addressing substance misuse in resort communities and improving behavioral health equity. We also hosted 3 webinars focused on these topics throughout the year.

After an internal strategic planning process, Katz Amsterdam announced an additional focus area of racial justice. We will specifically work on advancing equitable opportunities for mental and behavioral health for BIPOC communities in the Western United States and ensuring civic engagement of BIPOC communities. As we expanded our focus, we hired three new staff members to focus on racial justice and mental and behavioral health. The Foundation helped the Katz Amsterdam Charitable Trust facilitate 4 rounds of grant funding this year, including critical projects in each mountain community, pilot programs to provide youth access to winter sports, support for organizations focused on mental and behavioral health within BIPOC communities and non-profits working to ensure civic engagement.

Expenses incurred during the year ended November 30, 2021 on these direct charitable activities totaled \$770,921.
